TPA Mission Statement

The Timber Professionals magazine is the official publication of the Great Lakes Timber Professionals Association. The purpose of TPA is to serve the membership of GLTPA, the forest products industry in the Great Lakes region and forest products consumers. It provides education and information on the practice and promotion of sustainable forestry and seeks to instill a sense of pride and professionalism among manufacturers, operators, transporters, landowners and foresters.

Henry Schienebeck, Editor

Nellie Wich, Magazine Coordinator
